Case No. 2:23-cv-00129-CDS-DJA

NOTICE TO COUNSEL

11 “[T]he court’s time is a public commodity which should not be squandered.” *United States*
12 *v. Reaves*, 636 F. Supp. 1575, 1578 (E.D. Ky. 1986) (citation and internal quotations omitted).
13 The undersigned expended several hours preparing for and presiding over an early neutral
14 evaluation in this case.¹ During that process, it was made clear that the parties have not intended
15 to litigate this case in this venue, but nonetheless continued forward in this forum on an interim
16 basis as a means to obtain an early neutral evaluation session. To be clear moving forward, this
17 District’s precious judicial resources are invested into the early neutral evaluation program to
18 provide an opportunity to resolve cases that the parties would otherwise litigate here; judicial
19 resources are not expended to provide a cost-free alternative dispute resolution opportunity on
20 matters that the parties do not intend to litigate here.

21 IT IS SO ORDERED.

26 ¹ Compounding the problems in this case, counsel on several occasions relied on
27 documents that were not provided as exhibits to their submissions, in violation of the order setting
28 the early neutral evaluation. Docket No. 9 at 2. Such shortcoming resulted in wasted time during
which the Court was unaware of those documents and frustrated the ability to conduct the early
neutral evaluation in an orderly manner.
